

## **Thinking about your child joining us at Hester's Way Primary School?**

We know that choosing the right school for your child is an important decision. It is really important that you get the chance to have a tour of our school, meet staff and talk about your child's specific needs.

If you are considering a pupil place at our school, please ring the school office on 01242 525616 to make an appointment for a tour.

Once you have looked around and talked to staff, we can then take you through the admissions process, if your child is starting after the initial Reception intake.

The Local Authority contacts parents/carers of children due to start Reception Class, in the October before they are due to start school and they administer the admissions process. You will need to respond to their timelines for selecting schools, which is usually by January. Then you will find out your child's school placement, usually in April of the academic year that your child is due to start school.

If we are oversubscribed for classes, we do hold a waiting list and contact parents/carers when places become available.

Please see our policies within the Admissions section for more details.

If you need any help or support with this process please let us know.
