- **Last Day of Term** – Friday 25th October – finish at 3pm

Thank You Parents/Carers!

Thank you to the parents/carers who came to the parent's curriculum information meetings in your child's class. We hope that it is helpful that the teachers can share what your child will be learning, as well as key days and dates for the class timetable and activities.

Also, thank you for the great outfits that the children came into school wearing on the History theme launch day of....."Once upon a time". The whole school celebrated in assembly and the children had a great start to their History learning. It was wonderful to be approached by a child, who had dressed in a waistcoat – he told me who had invented the waistcoat and how the outfit he had chosen linked to his year group's curriculum.

Did you know..... that King Charles II invented the waistcoat and reigned during the time of the Great Fire of London?

Thank you for your kind donations: Year 2 raised £170.00 for class funds on Friday 20th September, selling cakes that they had baked with Natalie and their teachers. We will let you know what they spend their money on!

MacMillan Coffee Morning

In the school hall, on Thursday 26th September, between 9.00-10.00am, parents/carers can meet and have tea, coffee and cakes. Donations will be given to the MacMillan charity. Cancer touches so many people's lives and no doubt we all know of someone who is suffering, has suffered or indeed recovered from the disease. Please see Macmillan.org.uk for more information and advice. Also, please speak to our Pastoral Support Team if you need any help and support.

Phonics Meeting

The Reception and Key Stage 1 teachers would like to invite parent/carers into school to share how we teach phonics through the SoundsWrite scheme and how parents/carers can help and support their child when practising their letter sounds at home. Teachers will share how to say the letters sounds too! See date above.

Happy Autumn Term! From the Staff
