

Number Day

Take it away for Number Day 2020!

Dear Parents,

We are delighted to be supporting the NSPCC by taking part in NSPCC Number Day on **Friday 7th February 2020.**

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm. Sadly, many children's lives are far from happy and the NSPCC's work is focussed on helping those children in greatest danger and distress.

The NSPCC urgently needs our support to raise money to fund their services including ChildLine, the helpline for children and young people with nowhere else to turn.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, "can-do" attitude towards it.

On the 7th of February we will be taking part in 'Dress up for Digits' where pupils will be invited to wear an item of clothing with a number on (football shirt, cap, netball shirt or even a **onesie!**). To help raise money for the NSPCC, we are asking for a suggested donation of 50p each child or £1 per family as we'd like everyone in the school to take part in this special event. Please do not buy anything especially for this, use something that you already have or see your class teacher for help.

We will also be using the fun curriculum based maths challenges designed by the NSPCC and Oxford University Press on this day.

It all adds up

We are certainly going to go nutty with numbers on Number Day! Your support is much appreciated as the money we raise at Hester's Way Primary School will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you,

Mrs. Best.
Maths Curriculum Lead.
