Welcome Back!

We have had a great start to the term with our Science Curriculum "wow" event. The children were excited to make catapults, rockets and watch experiments in the assembly. The children were informed that any experiments are organised and supervised by adults and should not be attempted at home, on their own.
You can visit the science centre: 68 Edinburgh Place, Cheltenham, GL51 7SE.

Public Health Advice

Please see the attached poster and recent advice about Coronovirus for education settings. For further information please see https://www.publichealth.hscni.net/publications/advice-covid-19-coronavirus

E-Safety

We are having an "E-Safety" Day on Tuesday 3rd March. Local PSCOs and the PC School Beat Officer will be running workshops with the children to ensure that they know how to "Keep Safe Online". Please come to a parent/carer event in the hall, at 3pm, to hear about what the pupil sessions have included, how you can use parental controls and check that your child is safe online, as well as answering any questions.

Parents Evening

The boards will be on the playground or in the Glass Corridor foyer to sign up for parent's evening, from Monday 2nd March. We look forward to seeing you there and sharing your child's progress with you.

Money Raised

A big thank you – Number Day NSPCC £60 raised.

Happy Spring Term 4! From the Staff
