SCHOOLS INFORMATION

Published Admission Number and Previous Applications

The Published Admission Number is the total number of pupils that the school can admit into Reception (or Year 3 for Junior Schools). We have also included for each school the total number of pupils in the school so you can gauge its size. The number of total preferences and first preferences will also help you to see how oversubscribed a school is, as this will tell you how many parents had named a school as one of their preferences on their application form and how many of these had placed it as their first preference.

Admission Policy

Admission policies are set by the Admission Authority for the school (the Local Authority for Community & Voluntary Controlled Schools and the Governing Body for Free, Trust, Foundation, Academies & Voluntary Aided Schools) and are applied for new children entering a school. We have included each school's admission criteria so you are aware before applying for a school place. This will include whether the school has a supplementary information form that you may need to complete and how to obtain this. Each school's admission policy is available from www.goucestershire.gov.uk/schooladmissions the school itself, or the school's website. The admission policy for all Community and Voluntary Controlled schools can be found on page 4.

Oversubscription Criteria

If a school receives more preferences than places available, the Admission Authority will place all children in the order in which they could be considered for a place. This will strictly follow the priority order of their oversubscription criteria.

Allocation day statistics are available at www.goucestershire.gov.uk/schooladmissions

OVERSUBSCRIPTION CRITERIA AND ADMISSION POLICY

COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS

Primary and Infant schools

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- * A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)
- * Children who will have siblings attending the school at the time the applicant child is admitted. (See page 10 for definition)
- * Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where points 1 and 2 are oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority.

This is a manual process which is overseen by an independent person from the Legal Services Team.

Junior schools

All Community and Voluntary Controlled junior schools use the following criteria to admit children into Year 3:

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- * A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)
- * In the case of companion infant and junior schools, priority will be given to pupils attending the companion infant school.
- * Children who will have siblings attending the school at the time the applicant child is admitted.
- * Children who will have siblings attending the companion infant school at the time the applicant child is admitted. (See page 10 for definition)
- * Children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child's home to an ordnance survey point of the school/academy, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

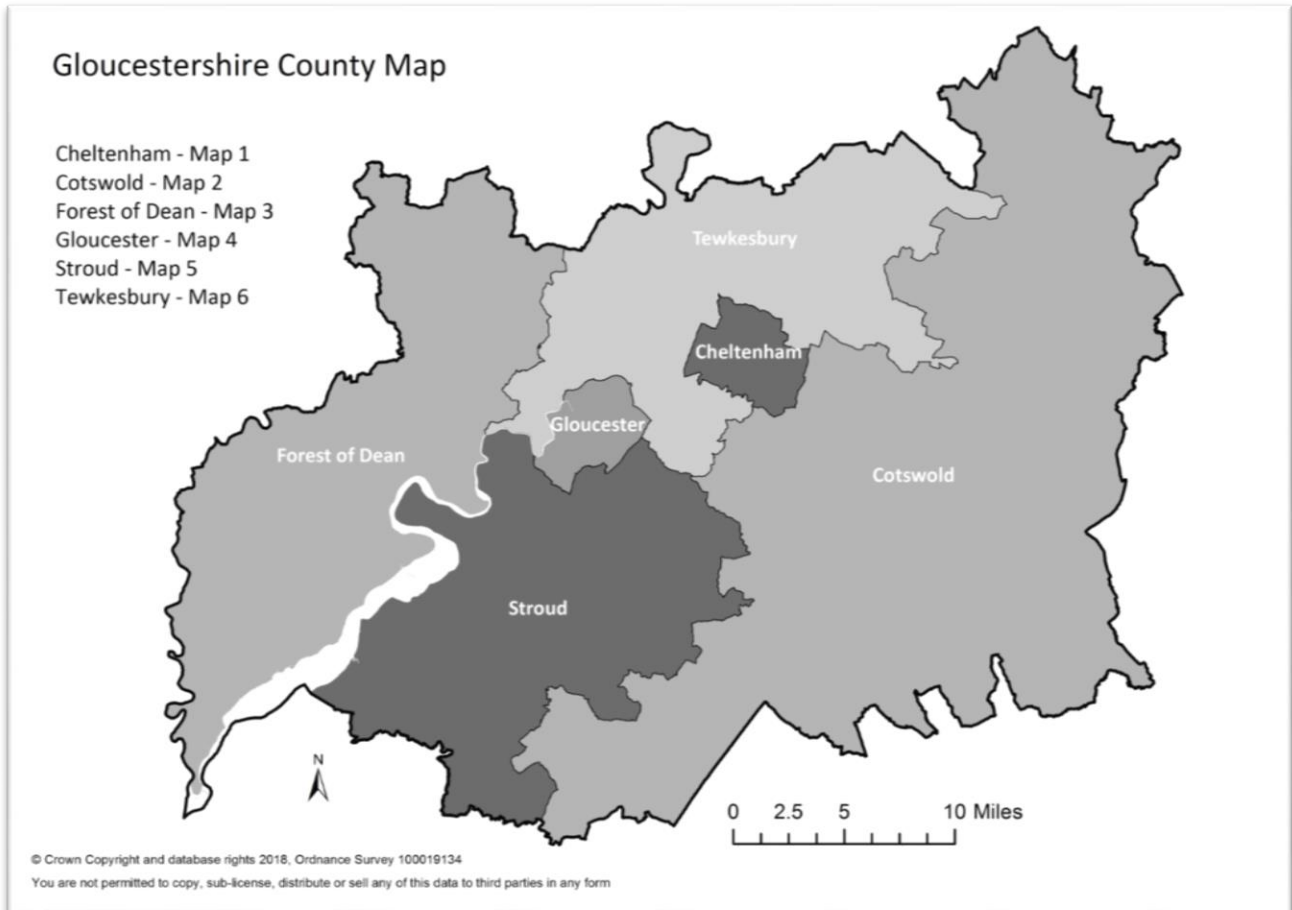

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 5 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This is a manual process which is overseen by an independent person from the Legal Services Team.

Criteria Definition

Looked After Children / Previously Looked After Children :

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4).

- (1) *A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.*
- (2) *This includes children who were adopted under the Adoption Act 1976 (see Adoption Act, Section 12, Adoption Orders), children who were adopted under the Adoption and Children's Act 2002 (see Adoption and Children's Act, Section 46, Adoption Orders) and children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted*
- (3) *Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.*
- (4) *See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

Sibling

Unless otherwise stated in the individual school criteria sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address. The older child must be continuing to attend when the younger child is admitted.

In the case of infant schools unless otherwise stated in the school criteria a sibling connection is also established if an older child will be or is already attending the companion junior school.

Parish Priest. The school may endeavour to contact the Parish Priest and obtain confirmation of attendance.

NB. In the event that during the period specified for attendance at worship the church (or, in relation to those of other faiths, relevant place of worship) has been closed for public worship and has not provided alternative premises for that worship, the requirement of these (admissions) arrangements in relation to attendance will only apply to the period when the church (or in relation to those of other faiths, relevant place of worship) or alternative premises have been available for public worship.

5. Children for whom only one particular school is appropriate due to an exceptional medical condition. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the School to the Ordnance Survey Address Point of the applicant's home using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

5. Children who will have siblings attending the school at the time when the youngest child is admitted for whom Berkeley Primary School is not the nearest primary school.
6. Children for whom Berkeley Primary School is not the nearest primary school.

If there is insufficient space for all children in any one of the above priorities then places will be allocated to those with the strongest geographical claim, measured by road using the Google route planner. In the event of two or more applicants being the same distance from the school when insufficient places are available, the Local Authority measuring tool for admissions will be applied, using the as the crow flies principle. Those living closer to the school receive the higher priority.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time the applicant child is admitted. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.

Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. Measuring distances are used with Ordnance Survey Points not centre points or front door/gates etc.

Where any particular category at points 1-2 above is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body. This will be in the form of a manual process which is overseen by an independent person. 3. Children living in the catchment area normally served by the school, with the strongest geographical claim, measured in a direct line. In the event of over subscription in any of the above criteria then the strongest geographical claim measured in a straight line from Ordnance Survey point of the child's home address to the Ordnance Survey point of Blockley Church of England Primary School Foyer using a computerised measuring system, with those living closest to the school receiving the higher priority.
4. Children of full or part time salaried members of staff who have been employed at Blockley Educational Academy for two years or more at the time of the application for admission,

and/or children of a member of staff recruited to fill a vacant post for which there is a demonstrable skill shortage.

6. Children living out of the catchment area normally served by the school, with the strongest geographical claim, measured in a direct line.

Over-subscription for those fulfilling the admissions criteria (ie. sibling or living in catchment area.) In the event of over-subscription, in any category, places will be awarded to those with the strongest geographical claim - this will be used as a tie-break. Where two or more applicants are received from children living the same distance away for one final place, the school will make the final decision by lottery.

The catchment area covers the settlements of Adlestrop, Aston Magna, Aston-sub-edge, Batsford, Bledington, Blockley, Broadwell, Broad Campden, Bourton-on-the-Hill, Chipping Campden, Condicote, Dorn, Donnington, Draycott, Ebrington, Evenlode, Longborough, Oddington Mickleton, Moreton-in-Marsh, Paxford, Saintbury, Sezincote, Snowhill, Todenham, Weston-sub-edge and Willersey. 1. Looked after children or previously looked after children.
2. Children who will have an older brother or sister (sibling) attending Bussage School, and will continue to do so on the date that the younger child's admission would take effect. 3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and this school.
4. Children of families living in the ecclesiastical Parish of Bussage with Eastcombe (a map of the parish may be inspected at the school or may be found via the Church of England website at <https://www.churchofengland.org/about/research-and-statistics>) at least one of whose parents are regular worshipping members of the Church congregations in the Parish*. (Regular meaning at least once a month over at least the year preceding the date at which a place is applied for). **
5. Children of full or part time permanent salaried members of staff where either:
 - a. the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made;
 - b. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

6. Children of families living in the ecclesiastical Parish of Bussage with Eastcombe, having the strongest geographical claim, (measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system), with those living closer to the school receiving the higher priority.
7. Children of families whose parents are regular worshipping members of the Church congregation in the Parish or whose parents are regular worshipping members of other Christian Churches (being a member of Churches Together in England)*.
8. Remaining places are offered on the basis of those living closest *** to the School.

*Applications under Criteria 4 or 7 must be supported by a completed Supplementary Information Form (SIF) counter-signed by an appropriate member of the clergy. The SIF is available via the school website or from the school office.

**In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirement of these admission arrangements in relation to attendance will only apply for the period when the church or alternative premises have been available for public worship.

***Where any particular category prior to criterion 8 results in oversubscription, children living closer to the school, as measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system, will be allocated the higher priority.

When applying criterion 8, children living closer to the school, as measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system, will be allocated the higher priority.

Where there are not enough places available to offer all children having an equal claim a place at the school (i.e. in the event of a tie between two or more children), a process of random allocation will be operated and supervised by the Governing Body. The randomisation methodology / process used in such an eventuality will be documented and this information made available to parents on request.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. The admission criteria for Churchdown Village Infant School, offers a higher priority for children with siblings who will be attending the school when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. This is in line with the criteria for Community and Voluntary Controlled Schools.
3. Children of full or part time salaried members of staff who are employed on either a minimum of a 50% contract with the school and/or where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made.
4. Children with the strongest geographical claim in the year in which the child is to start school on the closing date for applications. Note: The distance will be measured in a straight line from the child's home address (including flats) to the central part of the school, using the Local Authority's computerised measuring system. Those living the closest will receive the higher priority.

Where any particular category at points 1-2 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying criterion 4, the strongest geographical claim will be measured in a straight line from the ordnance survey point from the child's home address (including flats) to the ordnance survey address point of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Where the child has been attending the Churchdown Village Infants School at the time of their application.
3. Where the child has a sibling currently attending the school and who will continue to do so at the time of their admission. Siblings are defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address.
4. Where the child has a sibling attending Churchdown Village Infants School.
5. Children with the strongest geographical claim, measured in a straight line from the centre of the child's home address (including flats) to the central point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority'. This refers to the permanent home of the child at 31st January in the year in which the child is due to start school.

In the case of oversubscription for places (i.e. siblings, medical reasons etc.) a definitive result will be achieved by following the admissions criteria and using distance criteria as a tie-break (the distance criteria will be the same as above i.e. safe route). Should there be two or more children living the same distance away they will be prioritised against each other through a further tie-break of random allocation.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children for whom only the academy is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported at the time of application by a written statement from the child's doctor. This should be addressed to the Chair of Governors. The letter of support must demonstrate that there is a very specific connection between the medical need(s) of the child and the facilities or resources of the academy.
3. Children who have siblings attending Clearwater Church of England Primary Academy when the younger child is admitted. For the purposes of this policy, siblings are defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address.
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the academy, using the Local Authority's computerised measuring system, with those living closer to the academy receiving the higher priority.

Tie Break

Random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between a child's home and the academy is equidistant in any individual case. This will be administered by the Local Authority. However, if children of multiple births (twins and triplets) are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules.

If after applying the catchment criteria there are more applications than places within the catchment area, a further tie-breaker of Random Allocation will be used for these applications. Random Allocation will be supervised by someone independent of the school with a fresh round of random allocation used each time a child is to be offered a place from a waiting list.

However, where a family has moved into the area within the two years, consideration will still be made on the application, providing regular attendance at the parish church can be verified through a SIF.
In the event that during the specified period for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these (admissions) arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

In every case, the child must be living in the same family unit at the same address, at the time of application. (Twins and children from multiple births will be considered as individual applications).
3. Pupils with the strongest geographical claim based on a straight line distance proximity of the child's home - those living nearer being accorded priority.

In the event of oversubscription in any of the above criterion places will be allocated to the children with the strongest geographical claim measured in a straight line from the ordnance survey address point of the child's home address (including flats) to Reception at the school using the local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. If necessary if two or more children live at a precise equitable distance from the school, a further tie-break of random allocation based on names being drawn in a lottery at a specified time by our admissions team will be applied, although we will endeavour to treat twins and children from multiple births jointly.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children whose brothers or sisters are attending the Field Court C of E Infants or Field Court Junior Academy at the time of Reception admission. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or

the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.

- Children who can prove that they have a particular medical reason for attending the school.
Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications will only be considered if supported by a written statement from the applicant's doctor, which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. The final decision to accept a child under this category will be made by the Governing Body through consultation with relevant professional where necessary.
- How far the applicant lives from the School using the straight-line distance measurement using the LA's computerised system. Those living closest will receive the higher priority.

Special Notes

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight-line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying to criterion 4, the strongest geographical claim will be measured in a straight line from the Ordnance survey point from the child's home address (including flats) to the Ordnance survey address point of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children who have or had an older sibling attending Hardwicke Academy. A sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address.
3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities/resources of this school.
4. Children of families who live in the school catchment area of Hardwicke depicted by the red boundary line on the map.
5. Children of families whose parents have active connections* with St Nicholas Church, Hardwicke or other local Christian Churches belonging to Churches Together in Britain and Ireland and who live outside the school catchment area of Hardwicke (as shown on the map).
*Active connections mean being on the electoral or membership roll of the church and regular worship at that church as a family at least once each calendar month for a minimum of one year. The attached form should be completed and signed by the minister of the church.
6. Children who live closest to Hardwicke Academy. The strongest geographical claim will be measured in a straight line from the ordnance survey address point of the child's home address to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living in the parish of Hardwicke as depicted by the map receiving the higher priority. (Map available via the school).

In the event of over-subscription in any of the above criteria, places will be allocated to children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying the strongest geographical claim based on straight line distance where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body which will also be overseen by an independent person.

Parents are encouraged to inform the school at the earliest opportunity of any information relating to the above criteria which will help the school prioritise admission places in the case of oversubscription. To assist this process the school request that all parents complete the additional school admission form and return this directly to the school. This will need to be received by the school by the end of February each year.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. A child who lives in the Parish of Hillesley, Tresham and Alderley (map available in school). Distance will be measured in a straight line from the Ordnance Survey Address Point of the child's home address, (including flats) to a central point of the school, using the Local Authority's computerised measuring system, with those living closer to school receiving the higher priority.

3. A child who has a sibling who will be attending the school at the time of admission. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
4. A child whose parents/guardians specifically request a Christian education and meet the following criteria:
 - Children who live in the ecclesiastical parish of Hillesley and whose parents are regular members* of St Giles' Church, Hillesley (as confirmed by the priest using a SIF)
 - Children who live in the ecclesiastical parish of Hillesley and whose parents belong to another Christian denomination attending a local church where they are regular members* (as confirmed by the relevant priest using a SIF)
 - Children who live in a neighbouring parish and whose parents are regular members* of St Giles' Church, Hillesley

*Regular members are defined as families who worship at St Giles' Church or another local Christian church at least once a month and for at least one year before the child starts school. This should be supported by a signed SIF from the Rector or Minister. This (SIF) Supplementary Information Form (Appendix 1) must be received directly by the school by 31st January in the year in which the child is due to start school. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.
5. A child who has particular authenticated medical reasons appertaining to the school. The school will need to be provided with medical evidence from a doctor that explains why Hillesley Primary is the **only** school that can meet the child's medical condition. The written statement from the doctor must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. As Hillesley is a voluntary aided school the Governing Body will decide if the child can be offered a place. Social needs, such as a child wanting to attend the same school as friends, or attend a school near to where relatives live are not to be considered as medical needs.

In the event of over subscription in the above criteria, places will be allocated by closest proximity to the school, measured in a straight line from the school's Ordnance Survey Address Point.

In the very unlikely event of a tie-break in the event that two or more children have the same distance measurement, and equally meet the criteria described in no 4, (*i.e. In the event of a tie between two or more children when applying the above tie-break*) where there are not enough places available to offer all children a place at the school, a lottery will be held by the Governing Body to allocate the remaining places.

 - a) If the member of staff has been employed at the school for 2 or more years at the time of the application being made
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children who live within the Church of England Parish Boundary of Huntley with May Hill. A map may be inspected at the school.
5. Children living outside the parish boundary whose parents want specifically a church school and can demonstrate active participation in Christian worship e.g. attended the principal act of worship on a Sunday at least once a month on average during the two years prior to consideration of the application. Please complete and send in the completed Supplementary Information Form (SIF) from the Priest in Charge of Huntley Church or your local Christian minister to : Chair of Governors, Huntley C of E Primary School, Ross Road, Huntley, Gloucestershire GL19 3EX by 15th January 2023.*
6. Children for whom only this particular school is appropriate due to an exceptional medical condition. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of this school.
7. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

*In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. A sibling is 'a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, as well as children who are brought together as a family by a same sex civil partnership and in every case, the child must be living in the same family unit at the same address'. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made by the closing dates in order for the sibling connection to apply,
3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and this school.
4. Children with the strongest geographical claim, measured in a straight line from the ordnance survey point centre of the child's home address (including flats) to the central ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

Tie Breaker

In the event of a tie breaker being needed, this will be the drawing of lots by an independent person in a supervised process.

The straight line measurement from an apartment block is also taken from the ordnance survey point of the block. Apartments in the same block will be treated equally. If after applying the distance tie breaker there are more applications than places available from the apartment block furthest away, a further tie breaker of Random Allocation will be used for the applications from this block. This will be in the form of a manual process which is overseen by an independent person.

1. Looked after children or previously looked after children.
2. Children who have siblings attending the school and who will continue to do so at the time of their admission. We use the Local Authority's standard definition of 'sibling': 'a brother or

sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.

3. Pupils with the strongest geographical claim based on straight line distance proximity of the child's home - those living nearer being accorded priority.

Oversubscription

In the event of oversubscription in any of the above criterion, places will be allocated to children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the child's home address (including flats) to Reception at the School, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. If necessary, if two or more children live at a precise equitable distance from the school, a further tie-break of random allocation based on names being drawn in a lottery at a specified time by our admissions team will be applied, although we will endeavour to treat twins and children from multiple births jointly.

3. Children whose permanent home address lies within the boundary of the Severnside parishes. A copy of the definitive map can be found on the Schools website. A copy is also available for inspection in the school office. In the event of there being more applications than available places then children with the strongest geographical claim will be given priority. Distances will be measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the local Authority's computerised measuring system.
4. Children whose permanent home address lies outside the boundary of the Severnside parishes will be allocated on the basis of strongest geographical claim measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children who have a sibling who will be attending Lydney C. of E. Primary School at the time of reception admission (i.e. a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of a parent/carer's partner). Note: The older child must be continuing to attend the school when the younger child is admitted and in every case the child must be living in the same family unit at the same address.
3. Children with an authenticated medical reason for attending the school. Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications will only be considered if supported by a written statement from the applicant's doctor which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. The final decision to accept a child under this category will be made by the Board of Trustees through consultation with relevant professionals where necessary.
4. Children of members of staff. Note: (a) If the member of staff has been employed by the Severn Federation Academy Trust for two or more years at the time the of the application being made, (b) if the member of staff is recruited to fill a vacant post of which there is a demonstrable skill shortage.
5. Children with the strongest geographical claim in the year in which the child is to start school on the closing date for applications. Note: The distance will be measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school. Those living the closest will receive the higher priority.

Special notes:

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (the strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying criterion 5, the strongest geographical claim will be measured in a straight line from the ordnance survey point from the child's home address (including flats) to the ordnance survey address point of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Board of Trustees. This process will be overseen by an independent person.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children living within the Parish - a map detailing the area is available at the school.
3. Siblings of children who are registered in the school and who will continue to do so at the time of admission of the younger child. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner). In every case, the child must be living in the same family unit at the same address.
4. Children for whom only one particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child's doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school concerned.
5. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Tie-breaker

Proximity to the school. This will be measured by the shortest walking distance by road or maintained footpath or other public rights of way from the pupil's home, to the main entrance point of the school using a GIS computerised mapping system. In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time when the younger child is admitted. For the purpose of this admissions policy the term 'sibling' refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address, at the time of application.
3. Children who have an authenticated medical reason for attending Oakwood School.
Application under this criterion will only be considered if they are supported by a written statement from the child's doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school
4. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
5. Children for whom Oakwood School is not the nearest primary school.

If there is insufficient space for all children in any one of the above priorities (1, 2 or 3) then places will be allocated to those with the strongest geographical claim, measured in a direct line.

In the event of a tie between two or more children when applying criterion 4. (strongest geographic claim based on straight line distance) where there are not enough places available to offer all children a place at Oakwood a process of random allocation will be followed

Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

Admission Policy for September, 2023

1. Looked after children or previously looked after children
2. The applicant child has a sibling who already attends the school and will still attend the school when the applicant child would start to attend. Sibling means full, half, step or

adoptive brother or sister, or the child of the parent/carer's partner, and in every case the child must be living in the same family unit at the same address.

3. Local residence and Parish worship. In order for an application to be considered under this category, a completed Powell's Minister Support Form must be received by Powell's office by 8th January 2023.

Both of the following conditions must be met:

1. Local residence means that the distance measured in a straight line from the ordnance survey point of the child's home address to the ordnance survey point of the school using the Local Authority's computerised measuring system is not more than 3 miles AND
2. A parent of the child is a regular worshipper at one of the three churches of the Parish of Cirencester, namely St. John Baptist, Holy Trinity Watermoor or St Lawrence Chesterton. Regular means at least fortnightly on average throughout the year for at least a year prior to the closing date for applications. In the event that during the period specified for attendance at worship the churches in the parish of Cirencester have been closed for public worship and have not provided alternative premises for that worship, the requirements of these (admissions) arrangements in relation to attendance will only apply to the period when the churches or alternative premises have been available for public worship.
4. Closest proximity to the school measured in a straight line from the ordnance survey point of the child's home address to the ordnance survey point of the school using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority. In the event of two or more children living the same distance away from the school, drawing lots will be used as a tie break to determine priority.

In the event of oversubscription within any of categories 1-3 above, proximity as defined in category 4 will be used to determine priority within the relevant category.

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes of The Immaculate Conception Stroud, St Joseph's Stonehouse and the Annunciation, Woodchester.
3. Other Catholic children.
4. Other looked after and previously looked after children.

5. Children who are a Catechumen.
6. Any other children.

Within each of the categories listed above, priority will be given to children who will have a brother or sister at the school at the time of enrolment.

Tie Break

Where children have identical ranking, priority within each categories 1, 2 3 and 5 will be determined by random allocation (see below).

Priority within categories 4 and 6 will be given to those living closest to the school. Distance will be measured in a straight line from the ordnance survey point of the child's home to the ordnance survey point of the school using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. Where distances are equal, priority will be determined by random allocation (see below).

Random Allocation

Random Allocation is the drawing of lots, supervised by a person independent of the school. Each child will be allocated a number. All the numbers will be placed into a hat or other suitable container and will be drawn out and ranked in the order that they were drawn. For children of a multiple birth, only the allocated number of one of the children will be entered in the draw. Where this number is drawn, the other child or children will be deemed to have also been drawn. Lots will then also be drawn for these children to decide their individual ranking. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Supporting Evidence

For categories 1, 2, 3 and 5 supporting evidence must be provided. If you do not provide the supporting documentation e.g. a certificate of baptism, or of reception into the Church, or of reception into the order of catechumens, your child can not be placed within any of those categories and this may affect your child's chance of being offered a place. To be considered in the first round of allocations, it should be submitted to the school by 15th January 2023.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children with a sibling attending the school at the time the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and

- confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the Academy, using the Local Authority's computerised measuring system, with those living closer to the Academy receiving the higher priority.

Where any particular category at points 1-2 above is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

Tie-break:

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the GLA. This will be in the form of a manual process which is overseen by an independent person from the Trust Board. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

2. Children who have siblings attending the school and who will continue to do so at the time of their admission. We use the Local Authority's standard definition of 'sibling': 'a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.'
3. Pupils with the strongest geographical claim based on straight line distance proximity of the child's home - those living nearer being accorded priority.

Oversubscription

In the event of oversubscription in any of the above criterion, places will be allocated to children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the child's home address (including flats) to Reception at the School, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. If necessary, if two or more children live at a precise equitable distance from the school, a further tie-break of random allocation based on names being drawn in a lottery at a specified time by our admissions team will be applied, although we will endeavor to treat twins and children from multiple births jointly.

- Children for whom only one particular school is appropriate due to an exceptional medical condition. 1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes of St. Catharine's Church, Chipping Campden and Our Lady and St. Kenelm Church, Stow-on-the-Wold (see notes*)
3. Other Catholic children.*
4. Other looked after and previously looked after children.
5. Children who are a Catechumen.**
6. Any other children.

Within each of the categories listed below, priority will be given to children who will have a brother or sister at the school at the time of enrolment.

Brother or Sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

* Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. For someone to be treated as Catholic, written evidence of Catholic baptism or reception into the Church will be required. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. Whilst a copy of the certificate may be accepted, the governors may request sight of the original. The governing body may request additional supporting evidence if the written documents that are provided do not confirm the fact that the person was baptised/received into a Catholic Church.

There may occasionally be difficulty in obtaining written evidence of baptism or reception into the Church. In such cases, contact may be made with a Parish Priest for advice on how the question of baptism/reception is to be resolved and how written evidence is to be

produced in accordance with the law of the Church. The Priest may seek advice from Clifton Diocese.

For the purposes of this policy, 'Catholic' includes a looked after child living with a family where at least one of the parents is confirmed as being Catholic.

** Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Children must be at least 7 years old to be a Catechumen, so the Oversubscription criterion category no. 5, cannot be applied to any child less than 7 years old.

Secondly, a member of staff is recruited to fill a vacant post for which, in the opinion of the Governing Body, there is a demonstrable skill shortage.

2. Children resident in the parishes listed below* and with siblings registered at the school at the time of their admission. (We define a sibling as: a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address).
3. Children resident in the parishes listed below*. A map showing these parishes can be seen, on request, at the School Office.
4. Children with siblings registered at the school, who reside outside the parishes listed below* at the time of their admission. (We define a sibling as: a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address).
5. Children whose parent(s), at the time of admission, have been on the electoral roll of a parish within the Church of England for at least one year. A SIF should be completed and signed by the parish priest or minister of the church.

In the unlikely event that two or more applicants equally fulfil the Admission Criteria a ballot will be held.

Admission Policy for September, 2023

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time the applicant child is admitted. A sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children of paid employees at St John's C of E Academy.

Paid employees refers to:

- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority

Where points 1 and 2 are oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place. In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing body.

Admission Policy for September, 2023

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes of St. Joseph's Church, Nympsfield, St. Dominic's Church, Dursley and The Annunciation, Woodchester.
3. Other Catholic children.
4. Other looked after and previously looked after children, including internationally adopted previously looked after children.
5. Children who are a Catechumen.
6. Any other children.

Within each of the categories listed above, priority will be given to children who will have a brother or sister at the school at the time of enrolment.

Brother or sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

Tie Break

Where children have identical ranking, priority within each categories 1,2,3 and 5 will be determined by random allocation (see below). Priority within categories 4 and 6 will be given to

those living closest to the school as measured by a direct line between the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school using Gloucestershire local authority's computerised system. Where distances are equal, priority will be determined by random allocation (see below).

Random Allocation

Random Allocation is the drawing of lots, supervised by a person independent of the school. Each child will be allocated a number. All the numbers will be placed into a hat or other suitable container and will be drawn out and ranked in the order that they were drawn.

For children of a multiple birth, only the allocated number of one of the children will be entered in the draw. Where this number is drawn, the other child or children will be deemed to have also been drawn. Lots will then also be drawn for these children to decide their individual ranking. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Supporting Evidence

For categories 1, 2, 3 and 5 supporting evidence must be provided. If you do not provide the supporting documentation e.g. a certificate of baptism, or of reception into the Church, or of reception into the order of catechumens, your child cannot be placed within any of those categories and this may affect your child's chance of being offered a place. To be considered in the first round of allocations, it should be submitted to the school by 15th January 2023.

This will be measured by the shortest walking distance by road or maintained footpath or other public rights of way from the pupil's home, to the main entrance point of the school using a GIS computerised mapping system. Applications under this criterion will only be considered if they are supported by a written statement from the child’s doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school concerned.

3. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. As a school we have adopted the definition of sibling as per the LA definition which reads “a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner, and in every case, the child must be living in the same family unit at the same address.
4. Christian families who live within 1.25 miles of the school.
5. Families who live within 1.25 miles of the school.
6. Christian families who live within the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne (but more than 1.25 miles from the school).
7. Families who live within the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne (but more than 1.25 miles from the school).
8. Christian families who live outside the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne.
9. Families who live outside the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne.

Distance from the school will be measured in a straight line from the ordnance survey point of the child’s home address (including flats) to the ordnance survey point of the school, using the Local Authority’s computerised measuring system.

In the event that the school is oversubscribed within one of the criteria above those living closer to the school will receive higher priority. In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised by drawing lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s).

For this purpose of this Admissions Policy “Christian” is defined as

Children whose parent(s)/primary carer(s)’ regular place of worship is a member of Churches Together in England. A letter of support from the minister would be required. For the guidance of the ministers, it is considered that “regular” means “having attended a principal act of worship at least 8 times in the previous year”

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship. Church attendance will be calculated only for the period when churches were open for public worship. This will be reduced to 5 times in 12 months before the minister completes the Supplementary Information Form (SIF).

Admission Policy for September, 2023

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes of Our Lady of Perpetual Succour Church, Churchdown and St. Patrick's, Church, Brockworth.
3. Other Catholic children.
4. Other looked after and previously looked after children.
5. Children who are a Catechumen.
6. Any other children.

Within each of the categories listed above, priority will be given to children who will have a brother or sister at the school at the time of enrolment.

Brother or sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

Tie Break

Where children have identical ranking, priority within each category will then be determined by random allocation (see below).

Random Allocation

Random Allocation is the drawing of lots, supervised by a person independent of the school. Each child will be allocated a number. All the numbers will be placed into a hat or other suitable container and will be drawn out and ranked in the order that they were drawn. For children of a multiple birth, only the allocated number of one of the children will be entered in the draw. Where this number is drawn, the other child or children will be deemed to have also been drawn. Lots will then also be drawn for these children to decide their individual ranking. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Notes

Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Children must be at least 7 years old to be a Catechumen, so the Oversubscription criterion category no. 5, cannot be applied to any child less than 7 years old.

Supporting Evidence

For categories 1, 2, 3 and 5 supporting evidence must be provided. If you do not provide the supporting documentation e.g. a certificate of baptism, or of reception into the Church, or of reception into the order of catechumens, your child can not be placed within any of those categories and this may affect your child's chance of being offered a place. To be considered in the first round of allocations, it should be submitted to the school by 15th January, 2023.

1. Looked after children or previously looked after children.
2. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. A sibling is a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living at the same family unit at the same address.
3. Children of families who live in the ecclesiastical parishes (a map of which is held within school if required) of Cainscross whose parents have active connections* with St Matthew's Church, Cainscross.
4. Children of families who live in the ecclesiastical parish of Cainscross whose parents have active connections* with other local churches.
5. Children of families who live within the ecclesiastical parish of Cainscross with the strongest geographical claim, measured in a straight line using Ordnance Survey Points of the child's home address (including flats) and the school, with those living closer to the school receiving higher priority.
6. Children of families living outside the ecclesiastical parish of Cainscross whose parents have active connections* with the Anglican Church.
7. Children of families living outside the ecclesiastical parish of Cainscross whose parents have active connections* with another church.

*Active connections means being on the electoral or membership roll of the church or being a regular communicant of the church e.g. attended the principal act of worship on a Sunday at least once a month on average during the two years prior to consideration of the application. A Supplementary Information Form (SIF) should be completed.

If over-subscription occurs with any of the above criteria the remaining places will be offered to children with the strongest geographical claim, measured in a straight line from the child's home address (including flats) to the school, using Ordnance Survey Points, with those living closer to the school receiving higher priority.

In the event of a tie involving two or more children when applying the strongest geographical claim based on straight-line distance where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

4. Where the family though living outside the parishes has active connections with St. Mary, St. Peter & St. Paul Westbury-on-Severn, St. Michael & All Angels Blaisdon and St. Mary the Virgin Church Flaxley. Active connections require regular attendance at the principal act of worship on a Sunday in any of the parish churches of Westbury-on-Severn, Blaisdon or Flaxley at least once a month on average during the two years prior to consideration of this application. The application should be supported by a letter from the minister and should be addressed to the school admissions officer. However, where a family has moved into the area within the two years, consideration will still be given to the application, providing regular attendance at any of the above mentioned parish churches can be verified by a letter from the minister.
In the event that during the period specified for attendance at worship the church, has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.
5. Where specifically a Church of England School is sought by the parent(s) or guardian(s). The Common Application Form contains a box into which families can express their reasons for specifically seeking a Church of England School. (NB We define siblings as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address)

If there are remaining places or in the event of oversubscription in any of the criteria above, places will be given to children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of oversubscription and in the event of a tie between two or more children when applying criterion 5, (children with the strongest geographical claim, measured in a straight line from the Ordnance Survey point of the child's home address (including flats) to the Ordnance Survey point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.) where there are not enough places available to offer all children a place at the school, the Governing Body will refer the cases to the Diocese of Gloucester Academy Trust for arbitration.
