Safeguarding Induction Pack

for Staff in Educational Settings

Keeping Children Safe in Education (2023) gives Designated Safeguarding Leads (DSLs) responsibility for ensuring that new staff receive a safeguarding induction. This should brief them on the safeguarding arrangements within the school and their individual responsibilities for safeguarding and promoting the welfare of children as well as reacting to child protection concerns.

As part of this induction, Basic Awareness Child Protection Training must be undertaken either through face to face training as a whole setting which can be arranged by contacting the Safeguarding in Education Team via gsep@gloucestershire.gov.uk or by attending virtual training via the GSCP training platform.

To assist the Designated Safeguarding Lead, Gloucestershire Safeguarding Children Partnership (GSCP) have produced the following resources:-

- Safeguarding Induction Presentation for new staff and volunteers (PowerPoint)
- Safeguarding Children – Quick Reference for new staff and volunteers (leaflet)

The safeguarding induction should also include sharing the setting's child protection policy, the behaviour policy, the staff behaviour policy (sometimes called a code of conduct); the guidance to safer working practice; the safeguarding response to children who go missing from education; and the role of the designated safeguarding lead (including identity of the designated safeguarding lead and any deputies). Copies of policies and a copy of Part one and Annex B* of Keeping Children Safe in Education should be provided to staff at induction.

*or Annex A if appropriate (KCSiE 2021 onwards)
