Our classroom

Our School...

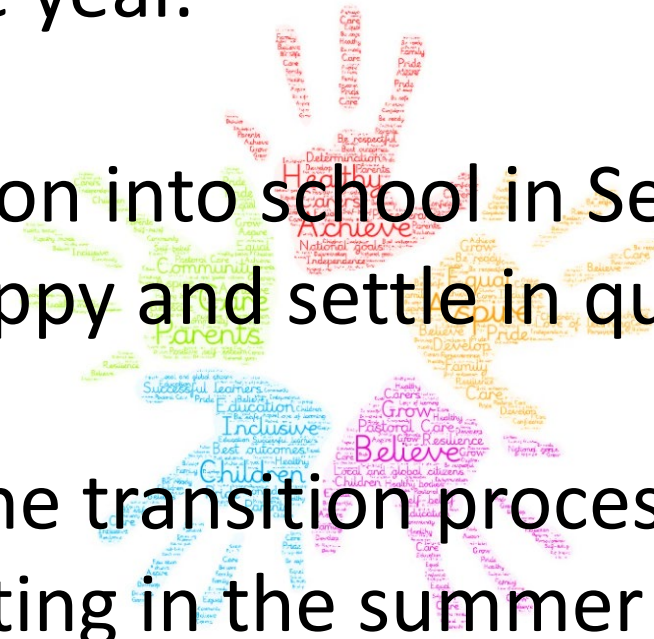

We are grateful to have plenty of space in our school for indoor and outdoor learning...

We work closely with our feeder settings to get to know the children throughout the year.

This means that transition into school in September is smooth and children start school happy and settle in quickly.

We involve parents in the transition process inviting you to school for an information meeting in the summer term and a meeting to get to know you and your child further.

We are also fortunate to have...

- Fresh school dinners on site every day (UFSM & PP)
- Forest School sessions led by trained leaders
- A new and exciting Reception outside area
- Balanceability programme in Reception led by trained staff

THANK YOU
